

HAVE YOU EVER
WONDERED,

“What’s Next?”

Dear Marketplace Friend,

I would like to invite you to an introductory briefing to expose you to a unique, one-of-a-kind leadership mentoring experience for Christian leaders called **The Master's Program (TMP)**.

In **TMP** we say that career is what you're paid for, but calling is what you're made for. Most people are pretty clear about what they are hired to do, but often unclear about what they are wired to do. We want you to get a clear understanding of what God might want to do with you.

Our mission at **The Master's Program** is to prepare Christian leaders to change their world and build God's kingdom through their irresistible life and influential works of service. It isn't about what you can do for Jesus after you retire, it's really about what you could best be doing for the Kingdom today.
